

OUR SIZE ADVICE

Find your size in the sizetable below.

How to measure your feet? Read below the sizetable

EU size	UK size	MM	
		From	To
36	3.5	222	222
37	4	229	229
38	5	236	236
39	6	243	243
40	6.5	249	249
41	7.5	256	256
42	8	263	263

HOW TO MEASURE YOUR FEET

Place one foot on a piece of paper. Mark the paper at the end of your heel bone and the end of you longest toe. Measure the distance between the two points and repeat the process for the other foot. If one foot is slightly larger, use the largest measurement as your foot size.
